YEARBOOK

High School is the whirl of fall leaves swirling across a road at twilight. It's a gold plated megaphone dangling from a dainty chain. It's buying all the latest fashions, then babysitting. It's meeting new friends, watching the winning touchdown and experiencing the thrill and sweat of a lockerroom after the struggle. High School is cramming for an exam that you'd rather forget. It's a shiny bronze ring that catches the light. And a charm bracelet with scattered memories. High School is growing up, and growing up is wishing you were young again.

FOREIGN EXCHANGE STUDENTS

Tatiana Seltz is our foreign exchange student from Switzerland. She arrived in August under the American Field Service program from her home town, Ancia. Tattoo has been very active as a member of the volleyball team and the marching band. Her friendly personality will be remembered warmly by all her classmates, and we wish Tattoo the best of luck in the future.

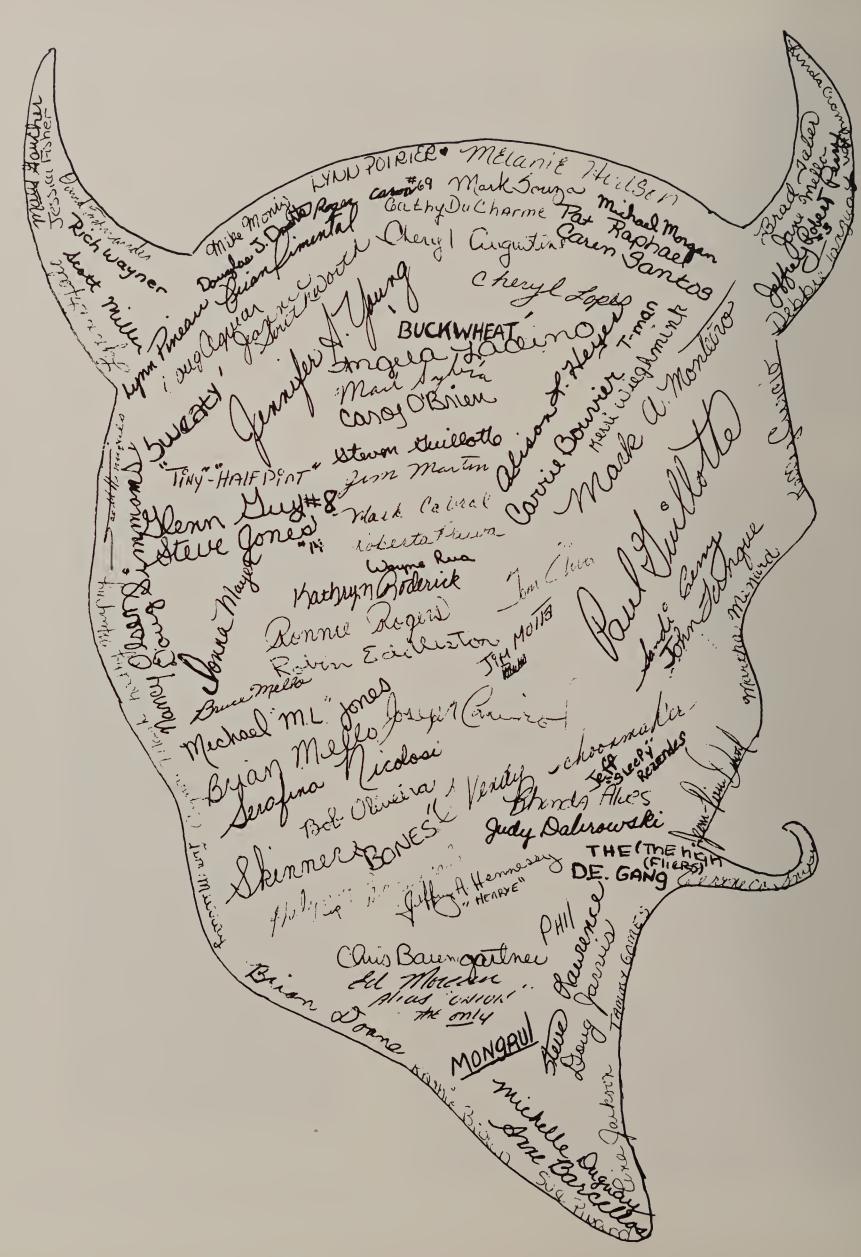

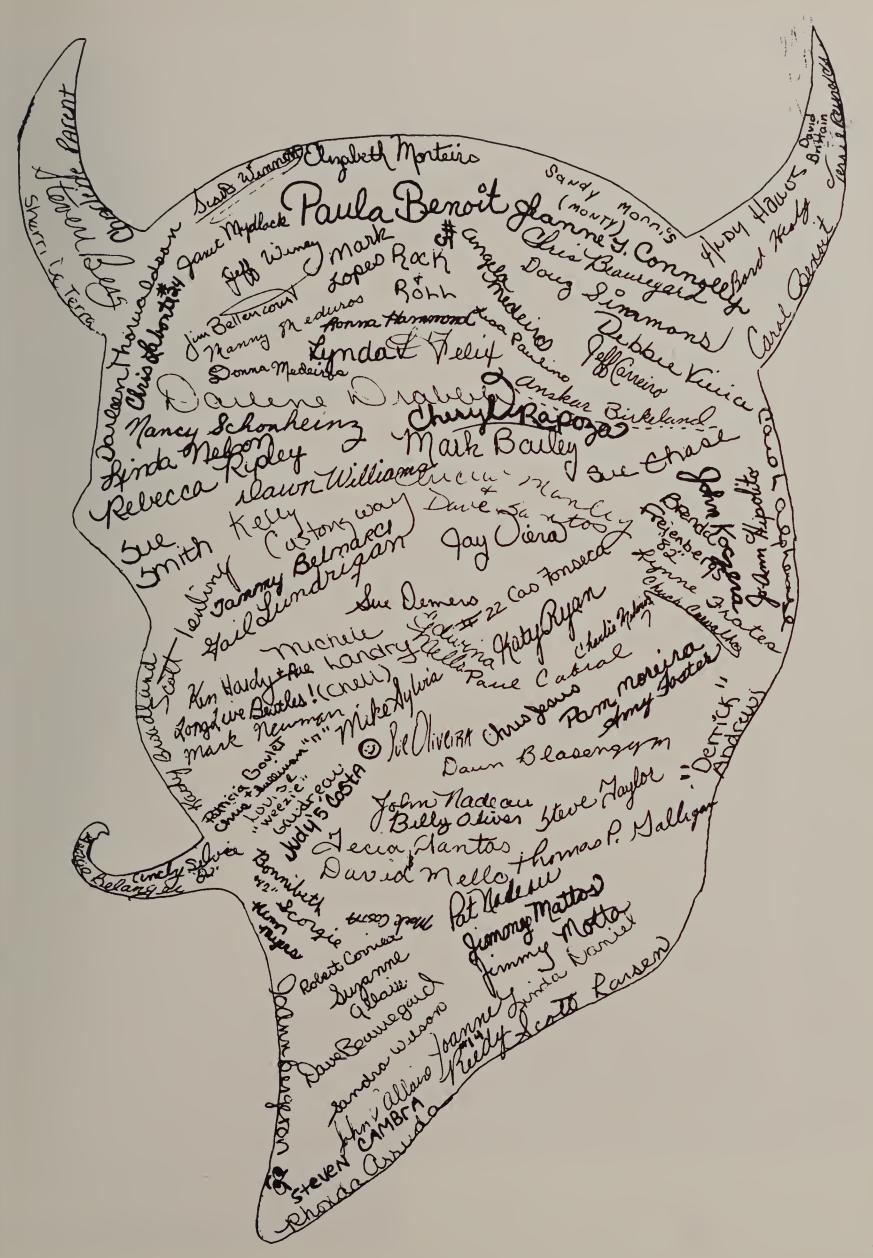

FOREIGN EXCHANGE STUDENTS

After two years of involvement in the Fairhaven chapter of the American Field Service, Moira Greenson has been completing her senior year in Belgium. While Moira was at Fairhaven High she was involved in numerous activities. She was an active member in the high school marching band, the triple quartet and the French club. She was also on the winter and spring track teams. Thanks to the American Field Service, Moira has been able to make many new friends and experience a culture different from our own.

JUNIOR PROM

The Junior Prom was on May 8, 1981. The theme had an Oriental motif. The Emperor and Empress chosen were Jeff Perry and Melanie Hudson.

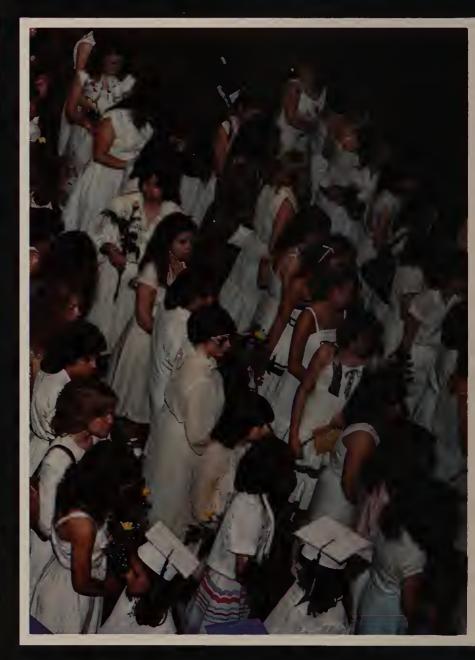

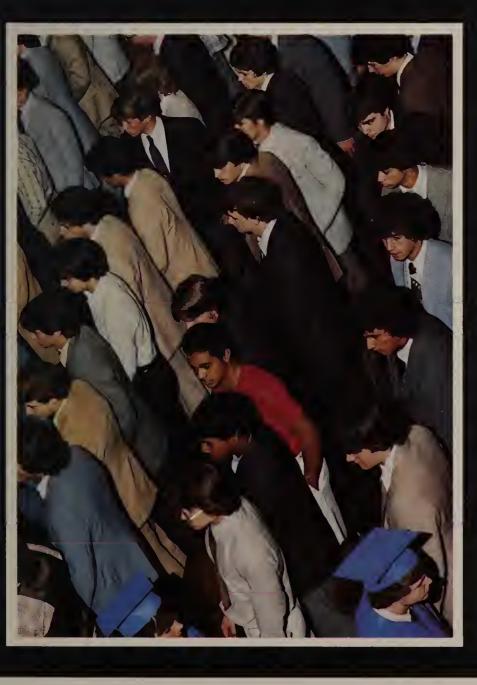

Junior class President, Mark Cabral, receives mantle from senior class President, Phil Harding.
